

TELLING YOUR STORY ACTIVITIES

THE MEDICAL EXPERT

AGES 17+

Activity Instructions

- Hey group members - We have some fun activities for you!
- Ask your group leader if these activities should be completed with your group or on your own.
- Complete the activities and show it to your activity leader or parent to get credit toward your Medical Expert certificate!

Have Fun!

Activity 1

Invention Idea: "What inspires you?"

- Watch the following Ted Talk: Cleaning our Oceans: A Big Plan for a Big Problem (Kazi, 2018).

https://www.ted.com/talks/haaziq_kazi_cleaning_our_oceans_a_big_plan_for_a_big_problem

- Create a 2-3 minute video:
 - Tell us a story about an idea you have
 - Focus your idea on inventing either a product or a process that will help change the world for the better!

Activity 2

Create your own "Ted Talk"

- Watch the following Ted Talks:

How Autism Freed me to be Myself (King, 2014).

https://www.ted.com/talks/rosie_king_how_autism_freed_me_to_be_myself

How Great Leaders Inspire Action (Sinek, 2009)

https://www.ted.com/talks/simon_sinek_how_great_leaders_inspire_action#t-1035981

- Use your phone to create your own 2-5 min "TED talk" on a topic of your choice

Congratulations!

- You have completed the individual activities required for the “Telling Your Story” module toward becoming a Medical Expert. This module also requires the “All Participants” activities. There is a separate check list for those activities to complete the “Telling Your Story” module.
- Please complete the checklist provided as proof of your activity completion.

- ☐ Watch Ted Talk: Cleaning Our Oceans
- ☐ Create Video on Idea
- ☐ Watch Ted Talk: How Autism Freed Me
- ☐ Watch Ted Talk: How Great Leaders Inspire
- ☐ Create Video on Topic of Your Choice
