A wordy what? Puzzle Book

Detective Wordy

Chicago Edition

Riya Joshi
Dedicated To

This book is dedicated to the many people in our society who are fighting to keep us safe. Thank you to the first responders, nurses, medical workers, and doctors. Thank you to the delivery workers, teachers, grocers, postal workers, and others who are all working to help us during these difficult times. Thank you also to Governor Pritzker and Mayor Lightfoot for working tirelessly and pushing to keep us safe from the effects of the COVID-19 pandemic. Finally, thank you to everyone staying at home and following the instructions on social distancing!
Preface

My name is Riya Joshi, and I love words. Currently, I am a freshman at a Chicago High School. From solving crossword puzzles to participating in spelling bees at an early age, words and language have captivated my curiosity. Even now, in the digital age, I find joy and thrill in deciphering the mystery of a good crossword puzzle. I have created this Detective Wordy puzzle book for both adults and children. The 50 puzzles are fun and whimsical. I hope that you have as much fun solving the different word games as I had making them! The first five puzzle solutions are in the back of the book. The answers for the puzzles 6-50 are found on my website wordywhat.org. I hope that my organization Wordy What? can help lift the spirits of Chicagoland residents through entertaining and educational word games. Even the slightest smile or triumph that results from solving a simple word puzzle can help shake away the loneliness or boredom many feel in challenging times. Finally, I would like to thank my twin sister Maya for inspiring the character of Detective Wordy, and I would like to thank my family for their support.
